

Statement of Purpose

An essay that states the purpose for applying to a particular course in a particular University. It includes academic achievements, financial back ground, reasons for applying and justifying your choice for University, voluntary works, assignments taken, research publication, etc.

The following information should be there in a Statement of Purpose

- Reason/ justification for applying to the course
- Academic or career interest and plans
- Short and long term career goals
- Notable academic and extra-curricular achievements
- Assignment undertaken during under graduation
- Research papers publication, if any
- Community service/ voluntary service, if any

Some universities can also ask for financial support/ back ground
